

PLUMPJACK
WINERY

2000
PlumpJack
Syrah
North Coast

THE WINE...

is 80% Syrah and 20% Carignane from vineyards in Redwood Valley in Mendocino County and Windsor in Sonoma County

THE STORY...

this Syrah was carefully located and blended by the winemaker at PlumpJack to evoke traditional Rhone styling, depth and grace. The resulting wine is very complex and has wonderful years ahead of it.

BOTTLING...

of the 2000 Syrah took place at PlumpJack Winery on May 9, 2000

NOTES...

Originally a Northern Rhone varietal from France, Syrah has been planted with great success in California. We are impressed by this Syrah's grace and style which is true to the Rhone tradition. The modicum of Carignane added has given the wine a delightful berry brightness and added depth and resiliency to enhance its versatility so that it can be enjoyed with food or as a simply delightful glass of wine on its own.

This Syrah shows aromas of redwood, violets, plum accompanied by essences of vanilla and cumin. Appropriately for a Rhone varietal, this medium-bodied red wine incorporates bright cherry, milk chocolate tannins and blueberry cobbler to culminate in a sweet, earthy finish. This wine should cellar well for 5 to 7 years.
