Napa Valley
Syrah

VINEYARD...

After looking for a special site for Syrah in Napa Valley we finally discovered one high above Oakville in the eastern hills of Napa Valley

AGING...

took place in 66% new French oak cooperage
Malolactic fermentation took place in barrel and the wine was racked twice before spending for 18 months in barrel.

BOTTLING...

took place April 16th, 2004

OUR THOUGHTS...

Exotic aromas of crushed blackberries, plums, vanilla, currants, black licorice and quince will tempt your senses and entice you to experience this supple, fleshy wine. On the palate, enjoy bright cherries, exotic black tea, coffee and cocoa powder leading up to a rich, almost syrup-like finish. Our inaugural vintage from this stunning hilltop vineyard is sure to please.
